Robin Harskin
Headmaster

The Yehudi Menuhin School

Founded in 1963 by the world-renowned violinist and educator Yehudi Menuhin, the school provides a place for musically gifted children from around the world to develop their talents to the highest level within a stimulating academic environment. It was accorded the status of Centre for Excellence in the Performing Arts in 1973 and has a global reputation as one of the world's leading music schools.

Today's school provides a holistic education for around 90 exceptional pupils aged from 8 to 19, with specialist tuition on the stringed instruments, piano, classical guitar, harp and composition. Pupils split their time between their academic and musical studies and are given many opportunities to perform in front of an audience. Concerts take place regularly in The Menuhin Hall, but also in local state schools, care homes and churches, carrying on Menuhin's belief in the importance of giving back to the community.

The school also boasts a Virtual Menuhin School, which offers pupils not enrolled at the school the unique opportunity to receive specialist music education in a virtual environment, receiving musicianship, theory and instrumental training and the chance to connect with other young musicians across the globe.

Pupils are admitted based on talent, potential and passion for music, not on their ability to pay the fees. Today, around 90% of pupils require some level of financial assistance to attend YMS. The School is one of nine specialist UK schools that are supported by the Department for Education's Music and Dance Scheme.

YMS Alumni include renowned international soloists such as Nigel Kennedy, Nicola Benedetti CBE, Tasmin Little OBE, Alina Ibragimova, Valeriy Sokolov, Kathryn Stott and Melvyn Tan. Many other alumni are shaping the global cultural landscape through teaching at leading conservatoires and performing with world-class orchestras and chamber ensembles.
